In the Stotler Building, Washington, D. C., in the year 2000 A. D. we find JERRY STAMEY, who has recently resigned his position as ombassador to Great Britain engaged in conversation with Congressman "Dusty" Erwin: "Much has, of course, happened in the fifty years past, but I think you'll agree that most of our fears and worries of our graduation year proved groundless. You remember with what grave concern we considered a possible third World War? And — atomic energy — how we shuddered when considering its destructive possibilities! Then, we knew this vast energy only in terms of the atomic bomb. We had no definite knowledge of atomic energy's beneficial possibilities of long service put into actuality in the saving of billions of dollars in industry, and the miraculous saving of lives in the field of medicine."

"Tis true, Jerry, and since we are reminiscing, perhaps you would like to hear of some achievements of our former Brevard High Classmates during your long absence from Transylvania County.

JIMMY ZACHARY, who has proved Einstein's theory to be incorrect, is perfecting one of his own.

MAMIE JANE CURTO has made a sensational debut at the Metropolitan.

LEE NORTON has just been elected to the post of County Coroner.

MARY DEAN is in Bohemia collecting recipes for her latest cookbook.

CHARLES WOLFE has been promoted to the position of Fashion Editor of Harper's Bozoor.

SARAH MULL is devising a method for uncurling pig's tails.

REBA and REBECCA ALLISON are modeling for Toni Home Permanents in Twin Cities, Idaho.

In the near future, MILDRED FULLER will begin painting white lines from the center of our highways.

ZELLA GENTRY is trying to sell the patent on her invention of the noiseless auto horn to BILL HAYES' Hot Rod Corporation.

The olorm clock radio, which is always set by Mr. Erwin for JOHN McKELVEY'S news program, automatically turns on, and the voice of the commentator booms over the air:

"Good afternoon Mr. and Mrs. North and South America and all the atom boots and rocket ships in the stratosphere! Let's go to the press! Flash!

"GERALDINE DANIELSON, top flight producer of airplanes, in order to stop the terrific toll of crashes, has invented a plane which doesn't leave the ground."

"Latest news from the planet Mars. JACK TALLEY, Dewey's Campaign Manager, is trying to get him elected president there."

"BRUCE McGUIRE has just convinced our new President, BETTY LYDAY, that aid should be given to the disabled teachers of Transylvania County."

"A special bulletin — FOSTER BAGWELL has just inherited the Southern Dairies."

"PETE SHIFLET, President of Duke University, has proven that students learn better while asleep than while awake."

"HARRIET PATTERSON has been installed as the sponsor of the cheerleading squad at the University of Missouri."

"BETTY WHITMIRE owns a drugstore chain. Specialty item is pink pajamas."

"In the theatrical line — DWIGHT BROWN has opened his new knife throwing act in Radio City."

"And now I leave you with this little word of wisdom if I may be so bold, use Porson's Tried, Tested, and Proven Posture Fertilizer, remember, it stinks!"

As the doorbell buzzes the radio automatically turns off. The secretary announces to Mr. Erwin his visitors, who are the members of the Society for the Promotion of the Prevention of Cruelty to Earthworms; BONNIE HAWKINS, President; JANE ANNE HART, Vice-President. Other members are CARL GARREN, J. T. HOLDEN, PAULINE KEENER, and GAY NELL PATTERSON. Soon they are indulging in innocent chatter and naturally old classmates of B.H.S. are quickly brought up . . .

"Have you heard about the marriage of NANCY GARREN and JOHN BOGGS, performed by RANDAL MONTEITH, new Justice of the Peace in Reno, Nev.?"

"Wasn't it marvelous about BOB MORRIS being appointed head coach at Bob Jones University?"

TOM McCRARY called me the other night from his home in Caesar's Head and said that while in New York he heard MARGUERITE BISHOP, the torch singer at SHIPMAN WHITMIRE'S night club. Also on the program were BUEL FERGUSON, HARRY GILLIAM, BOB McGUIRE, KLINE SENTELLE, CHARLES SHIPMAN, EUGENE TINSLEY, and SID WILSON, "The Seven Knights in a Barroom."

"Have you tried the automatic shoestrings that BETTY ALLISON invented, or ADELE BAGWELL'S new cigarettes with built in ash trays?"

"JOYCE BROWN called the other day to ask when we are going to have a joint meeting with the Peach and Pepper Pickles Club — you know, GLENA BAYNARD, DORIS BRYSON, and CAROLYN COLLINS are very active members."

"And have you seen the portrait of JEAN MARIE GRAVELY painted by MARIETTA DEUTSCH, exhibited at LUCY SMITH'S Art Museum?"

"MARIE LANDRETH and THRESSA McCALL said they aged two years while touring HELEN HOGSED'S "House of Horrors."

"Did you know that ANN MILLER, head nurse at JOE WHITAKER'S Hospital is administering first aid to injured football players?"

"Oh isn't it terrible about poor WAYNE KERBER still digging in the salt mines in Siberia!"

"GREGG CLARK'S new production, "The Triple Threat," starring CHARLOTTE SNELSON, MARGARET WILSON, and PAT NORRIS will be playing at the Star Drive-In Theater where FRANCES PARRIS sells tickets."

"Oh girls, have you seen ELIZABETH KELLEY'S and EVELYN MOFFITT'S new hair dos? They were created by MARIE McGUINN and WILMER McGEE, co-owners of the Bold Spot Beauty Shop."

The chatter goes on and on and so must we.

## 1949 - 1950

In 1949, the B. H. S. Blue Devils enjoyed a good season, finishing third in the Blue Ridge Conference, and sending three players, Stamey, McGee, and Wolfe to the annual Optimist Bowl in Asheville.

### SAND HILL

The Blue Devils lost their first game to a brilliant Sand Hill eleven by the score of 12 to 7. In the early minutes of the game, McGee went over for the Devils after a sustained drive. With four minutes left to play, and the Devils ahead 7 to 6, a long pass clicked for Sand Hill. From three yards out, they bulled over and that's the way it stood at the end.

### GREENVILLE, TENN.

The Devils then turned on the power which was to characterize their play all season. The Greenville powerhouse barely eked out a 26 to 12 win. McGee and Hargis were touchdown makers. Hargis contributed the best run through the whole Greenville team for 80 yards and a touchdown.

## SPORTSCOPE

### BEN LIPPEN

The next game, which was parents' night, good blocking shook Devil backs loose for good runs and a 40 to 0 win.

McGee, Stomey, Grant, Sorrells, and Kimzey scored for the Blues, and Grant took individual honors with three markers.

### ASHEVILLE SCHOOL

The next game, the Devils played Asheville School with a 13 to 7 win. McGee and McGaha scored for Brevard; the lost score coming on a pass from Stamey to McGaha.

### CHRIST SCHOOL

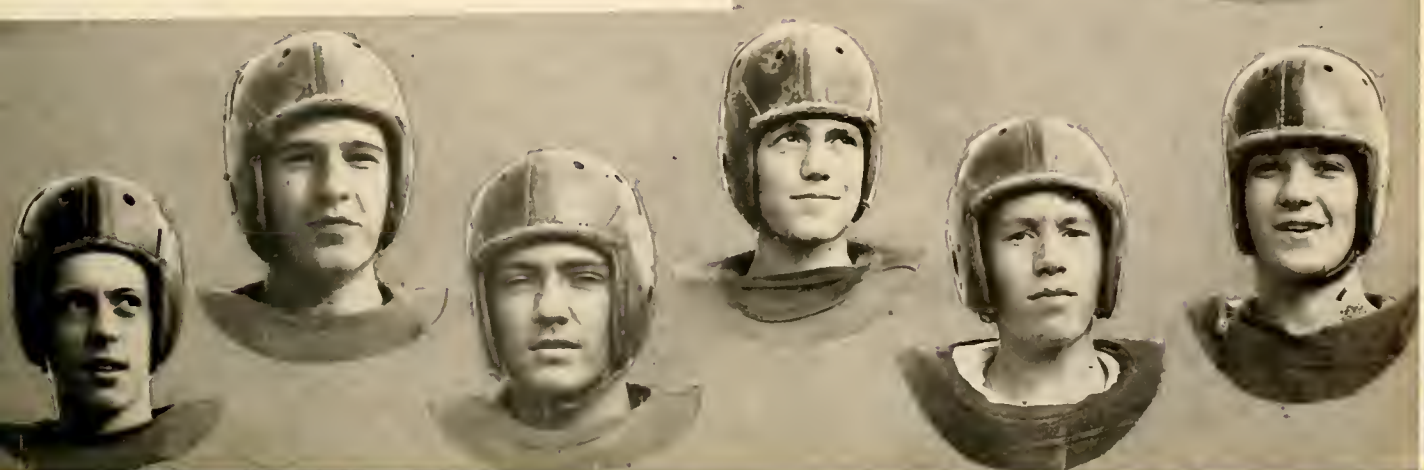

The Blue Devils journeyed to Arden for their next game to do battle with the Christ School Greenies. They came home victorious with the score of 14 to 6.

Auvil and McGee scored for the Devils, and also played a fine brand of defensive ball.

### BILTMORE

The Blues come from behind in the first period to top Biltmore 27 to 7.

The Devils scored four markers in the second and third quarters.

### BESSEMER CITY

Plying in a sea of mud, the Devils whipped Bessemer City 13 to 0.

Tink Horgis scored from seven yards out in the first period, and Carl Auvil, after a sustained drive of 35 yards got the second and lost touch-down of the night.

### TRYON

In the next game the Devils traveled to Tryon and suffered a 14 to 0 loss.

It was a case of Tryon capitalizing on the breaks to best Brevard. Two long completed passes finally turned the trick for them.

### SWANNANOA

The Blue Devils prepped for their Hendersonville classic with a 25 to 0 victory over Swannanoa.

McGee, Whitaker, and Howard Walfe scared for the Devils, with Whitaker lugging the leather for two markers.

### HENDERSONVILLE

In the traditional homecoming game on Thanksgiving Day, the Devils nosed out a fighting Hendersonville eleven 6 to 3. The Bearcats took a 3 point lead in the first quarter on the strength of a 25 yard field goal.

Several plays later, Hargis drove over from the one yard line.

The whole squad is to be congratulated on their inspiring victory over a stubborn bearcat eleven.
